# **Experience Las Vegas: a travel guide (2011)**

This ebook is a handy and usable travel guide to Las Vegas. It was adapted for the Kindle from wikitravel.org\*, which was named by Time magazine as one of the 50 best websites of 2008. This ebook has been prepared by Dolphin books specifically for the Amazon Kindle, and includes careful formatting and a hyperlinked table of contents. In length, this ebook is roughly equivalent to 50 printed pages.

This ebook contains no advertising. Dolphin books is not paid to endorse any products or services.

Among other things, this guide provides:

information about travelling to from and within Las Vegas, by plane, taxi, bus, foot, and car.

useful telephone numbers

lists of events, landmarks, and things to do

information on shopping, dining, drinking, gambling, and hotels

\*wikitravel.org does not endorse this ebook nor any other product.
